National President's Message

‘There are more on our side than on theirs!’ 2 Kings 6:16

You can have a perfect 20/20 vision in the natural world yet be blind in the spiritual world. Many fall prey to Satan's schemes. But when you turn to God in prayer, he can open your eyes and give you and I a strategy for victory for this 2025 New Year.

**God is
greater
than any
visible
threat.**

Bro. Peter Desmond Wee

**The Spirit who lives in you is greater
than the spirit who lives in the
world**

National President's Message

The idea of perfect vision in a spiritual sense aligns well with the story in 2 Kings 6: 16-18, where Elisha reassures his servant not to fear when they do not know what to do after they woke up and discovered that they were surrounded by hostile armies. Elisha said "For there are more on our side than on theirs!" Then Elisha prayed, "O Lord, open his eyes and let him see!" The Lord opened the young man's eyes, and when he looked up, he saw that the hillside around Elisha was filled with horses and chariots of fire. As the Aramean army advanced towards him, Elisha prayed, "O Lord, please make them blind." So the Lord struck them with blindness as Elisha had asked' (2 Kings 6:15-18 NLT).

Are you fearing defeat? Are you confused and don't know what to do? Do you feel like the odds are stacked against you, that you won't succeed?

Are you helpless or burdened to run Alpha in your chapters? Are you afraid that you can't achieve the impossible DCDM (double chapter double member) goal and cannot see the end? Are you feeling anxious? Doubting the outcome? Or, just too overwhelmed by routine? The Bible says, 'The Spirit who lives in you is greater than the spirit who lives in the world' (1 John 4:4 NLT). Get alone with God and pray, 'Lord, open my eyes.' And wait. When he does it, you will discover that the forces of Heaven are on your side, and the resources of Heaven are available to you. How do you access them? By Faith! – Trusting that God is greater than any visible threat.

For 2025, have faith over fear that FGB Chapters will multiply as members align with God's heart for the lost, steward their God-given one talent and rely on His power for growth.

“Lord, open my eyes!”

This multiplication will reflect a vibrant spiritual harvest, doubling chapters and members will impact our communities and businesses worldwide, and bringing glory to God. Be merchants of hope with focussed prayer for revival this year and bring the gospel to those who are “blind” that by the grace of God they may “see”!

Wishing all our Chinese brothers a Blessed Chinese New Year!

Have a Blessed Chinese New Year!

VIETNAM MUSIC EXCHANGE EVENT

6 Dec. FGB brothers, led by Bro. David Chiang visited Ho Chi Minh City. This trip to Vietnam was filled with meaning and inspiration. The team participated in a music exchange event featuring 23 singers, with half performing gospel songs and the other half singing pop music. The combination of these two genres not only provided an enjoyable musical experience but also showcased the fusion of different cultures and beliefs.

What was particularly heartening was the openness of our Vietnamese friends toward the gospel. Their warmth and acceptance were deeply moving and highlighted the potential for the gospel to be embraced in this country. This spirit of openness and inclusiveness is truly a blessing.

Furthermore, the hospitality of the Vietnamese brothers was exemplary. Their sincerity and warmth made everyone feel at home and served as a model for us to learn from. This journey was not only a cultural exchange but also a spiritual connection, offering many valuable insights and reflections. Six were converted during the evangelical dinner on 7th December.
