National President's Message

Faithfulness is the Key to Ministry

Jesus begins the parable of the talents with these words: 'For the Kingdom of Heaven is like a man going on a long trip...' (Matthew 25:14 NLT).

And one of the strongest points he makes is the importance of being faithful. Whether God gives you five, two or one talent, the thing that matters to him is your faithfulness.

'The master said, "Well done, my good and faithful servant; you have been faithful in handling this small amount, so now I will give you more responsibilities. Let's celebrate together."

Bro. Peter Desmond Wee

**If you are faithful
in little things,
you will be
faithful in large
ones.
Luke 16:10 NLT**

National President's Message

Notice that Jesus did not say, "Well done, popular servant", or "brilliant servant", but "faithful servant".

He is talking about those who are often unnoticed but indispensable to his purposes.

He is talking about those who blow no trumpets, wave no banners and demand no applause.

He is talking about those who show up day after day and use the talents God gives them, to do the job he has assigned to them.

Unnoticed by people but noticed and rewarded by God! "For God is not unjust. He will not forget how hard you have worked for him and how you have shown your love to him by caring for other believers, as you still do." (Hebrews 6:10 NLT).

These words describe those who don't look for limelight and are happy to serve quietly.

They are those who not only have started the chapter but faithfully running it day after day and week after week until they are able to bear fruit for another new chapter and reach the finishing line.

You may think that you do not make a difference, but God does. While others make much out of skill levels and success levels, God measures you by your faithfulness.

And it is this quality that we need to do our FGB ministry well so that we can share and serve others with love and glorify God.

Following this faithfulness principle of doubling the talent, I have confidence that with the help of the Holy Spirit and by the grace of God, many of our Chapter Presidents will in no time meet the goal of Doubling Chapters and Doubling Members ("DCDM").

Let us hold unswervingly to the hope we profess, for he who promised is faithful.

We should all be able to steward the work of identifying locations, evaluating resources, listening to Him and finally securing all (place, people and purpose) for His glory.

May we fulfil His Vision of DCDM and be faithful servants to the end till we hear God say "Well done, good and faithful servant. You have been faithful over a little, I will set you over much. Enter into the joy of your Master."

Peter Desmond Wee

WE WILL NEVER OUT GIVE GOD

In 2000, Bro Liew generously donated a piece of land to the Autism Centre, enabling the establishment of a vital training facility for individuals with autism. A decade later, in 2010, this land was returned to him as the center found a more suitable location to serve its community. Subsequently, the land was acquired by the MRT, resulting in a surprising financial blessing for Bro Liew. His experience beautifully illustrates the truth that we can never outgive God, showing us how acts of generosity can lead to unexpected rewards. Join us as we reflect on Bro Liew's inspiring journey of faith and generosity!

About:
Bro Liew Ah Onn is a 64-year-old family man, happily married and a proud grandfather to three grandsons. He runs a successful coconut plantation in Kuantan and has recently embarked on a new venture, distributing PKC coconuts. His dedication to his family and business showcases his commitment to both hard work and community engagement.
