# National President's Message

## Why Were You Created?

**‘God planned for us to be created in Christ Jesus unto good works, which God prepared beforehand that we should walk in them.’ Ephesians 2:10 KJV**

In his book, “How Successful People Grow”, John Maxwell categorizes people into three groups:

(1) Those who are uncertain about their purpose.

These individuals lack a clear direction and struggle to identify their goals. They drift aimlessly, uncertain about what they should strive for. Often, this uncertainty stems from a lack of self-awareness, leaving them unfocused and stagnant in their personal growth.

*Bro. Peter Desmond Wee*

(2) Those who know their purpose but do not act on it.

While they recognize their passions and aspirations, they hesitate to pursue them. This hesitation may arise from fear, the burden of responsibilities, or an unwillingness to invest the effort required to grow. Consequently, they fall short of their full potential.

(3) Those who know their purpose and actively pursue it.

These individuals embody the essence of Ephesians 2:10. They are self-aware, passionate, and purpose driven. They continuously seek growth, aligning their lives with their God-given mission. The best word to describe them is fulfilled.

Personal growth is a paradox: to reach your potential, you must know yourself, but self-discovery often requires growth. The key lies in seeking God's guidance and allowing Him to shape your path.

Remember, failure is not the real crime—low aspirations are. Former U.S. President Theodore Roosevelt once said:

"Far better it is to dare mighty things, to win glorious triumphs, even though checkered by failure,

than to take rank with those poor spirits who neither enjoy much nor suffer much because they live in the gray twilight that knows neither victory nor defeat."

Great achievements are frequently attempted but rarely accomplished. However, those who succeed are often those who have encountered failure numerous times. Every setback serves as a stepping stone, preparing us for future triumphs.

Dwelling on past failures will only leave a bitter taste. While moments of discouragement are natural, surrendering to them is not an option. Instead, we must rise with renewed determination, committing ourselves to the mission of DCDM (Double Chapters, Double Members).

This requires diligent effort—identifying opportunities, evaluating needs, listening to God and others, and securing the necessary resources to fulfil His purpose.

May we seek His wisdom and revelation, embracing our divine calling to glorify Him in all we do.

# School of the Vision 2025

17 Feb 2025. In the first session of the School of The Vision, The National Director of SOTV, Bro. Lim Lian Hong conducted this online meeting and invited Bro. Peter Desmond Wee, our National President, to share on the book “The Happiest People On Earth”, written by our founder Bro. Demos Shakarian in 1975.

Bro. Peter gave a brief summary of all the 11 chapters in this book. He highlighted how the Full Gospel Business Men’s Fellowship International was formed in 1951. Bro. Demos’ story is a story of faith through 4 generations. His forefathers escaped from Armenia and settled down in America.

God later called Bro. Demos to start the FGBMFI at Clifton cafeteria. They struggled with low attendance and lack of engagement, leaving him very discouraged. When he was about to give up, the Lord provided him with unexpected financial provisions which made him realise that he cannot do the ministry on his own strength but by the power of the Holy Spirit.

While starting the FGBMFI, Bro. Demos faced challenges. His son fell ill and they had to sell off his dairy business due to losses in the commodity market. He realized God intended him to do his Master’s business rather than his own.

Slowly and surely with perseverance from small beginnings, the meetings gained momentum. Mighty healings, signs and wonders were happening in those meetings. FGBMFI grew to thousands of chapters and spread to all the 5 continents of the world. It became a global movement in the market place ministry.

After Bro. Peter’s sharing, participants went into breakout rooms for discussions and reported back to the main session.

# First Exco Meeting

28 Feb 2025. We had our first Exco Meeting in the Head Office. Regional Directors from outside the Klang Valley joined online. Amongst the discussions were the list of locations and dates for new chapters to be formed under our Double Chapter Double Member drive. All Regional Directors were reminded to take an active role in building up their regional members and chapters with specific deadlines in mind. The Exco also reviewed the draft plan put forward for the Men's Camp to be held on 21-23rd August 2025.

Bro. Jaccob Thomas also distributed a template on regional mapping for new chapters and prayer groups, deadlines for formation, task force to follow up on DCDM goals at regional level and reviewing and reporting back to the Exco Meeting for new updates by 28th March 2025.
