**FGBMFI Malaysia National
Board Members 2025/26**

You Are Qualified!

Have you ever felt unworthy, underprepared, or just not good enough? You are not alone. Throughout the Bible, the people God used most powerfully were the one who felt the least qualified.

Nehemiah was a cupbearer – not a builder nor an architect - yet God used him to rebuild Jerusalem's broken walls. Like Nehemiah, Moses doubted his ability to speak, Gideon believed he was the weakest in his family, Jeremiah thought he was too young, Peter failed and denied Christ.

Bro. Peter Desmond Wee

Yet, everyone of them was used mightily by God – not because they were strong, but because they trusted the One who is I AM. The truth is clear; God doesn't call the qualified; He qualifies the called.

What matters most isn't your ability – It's your God-given burden and your willing heart. When God places a vision in your spirit, He provides the strength, wisdom, and resources to fulfil it. **Your “yes” is all He needs.**

So, as you serve, lead, and plan for your DCDM goals and Evangelistic events for your region, remember; You are chosen. You are empowered, You are qualified. And that too, not because of who you are – but because of who He is!

Flow with His Spirit.

Give Him the glory.

And succeed, in Jesus' name.

Amen!

Peter Desmond Wee

Once a very prideful and self-centred man, Bro. Sean pursued his ambition to become very rich & even aimed to marry 7 wives!! But things didn't turn out well. In fact, it got from bad to worse. He left his wife for another woman. He went into depression and even attempted suicide twice!

One day, he heard God's audible voice and that was the beginning of his road to recovery and his meet-up with a Christian friend that slowly but surely brought Sean to accept Jesus as his Lord and Saviour.

As a Christian, he still encountered some serious challenges by one, the Lord restored Sean fully.

TESTIMONY

Testimony by Eddy Yong

Recently, Eddy Yong and team were at Lahore for an evangelistic and healing event. He and his team faced problems to return to Malaysia because of the tension between India and Pakistan. The following is his account:

"Truly God is good all the time. We were lost and didn't know what to do. We were the last to leave Lahore airport. A man working for Batik Air said he was looking for us, as we checked in as a family of four. He called a taxi for us and sent us to a hotel, with all expenses paid by Batik Air.

The next morning, he called us to go to the airport as soon as possible. He told us to wait for a flight once the airspace is open again. He then got our boarding passes and we waited to board a flight either at 2pm or at the latest 5pm. We prayed for the team and myself and we were able to board the aircraft shortly thereafter. However, it was rerouted to Muscat Oman. From there, we were able to take another 7 hour flight to Kuala Lumpur.

Words are not enough to describe our thoughts and feelings, as our journey out of Pakistan was nothing short of a miracle and the grace and mercy of God. We are just so thankful and grateful for His great love for us.

Thank you all, FGB brothers, for praying for us. God bless you and your family always.

Praise God and to Him be all Glory!"
