How Do I Handle Fear?

Leadership is not the absence of fear, but the courage to act in spite of it. Both the fearful and the courageous experience fear—the difference is that one retreats while the other advances.

In our marketplace ministry, fear often tells us not to stand for Christ, not to share our testimony, or not to take new assignments. Yet courage opens doors and creates opportunities for God to move.

Whether we are growing membership, planting new chapters, or reaching colleagues through evangelism or Alpha at the Workplace, the fear of failure is real.

So, how do we handle fear? By trusting His word & promise: “The Lord is on my side; I will not fear. What can man do to me?”

With Christ beside us, fear loses its power and courage becomes our testimony.
