Are We Double-Minded?

“But let him ask in faith, with no doubting...” – James 1:6 NKJV

So often, we try to live with divided minds. On Sunday, we receive the wisdom from above; on Monday, we mix it with the wisdom from below. But it doesn't work.

It's like putting petrol in your car, then topping it with diesel. It may look like fuel, but the engine won't run. The Bible calls this double-mindedness—a life pulled in two directions, producing instability and frustration.

God doesn't bless half-faith. He responds to a heart that is single-minded, steady, and focused on His Word. James warns us that “a double-minded man is unstable in all his ways” (James 1:8).

Think of a radio. You can switch between FM and AM, but you can't tune into both at the same time. In the same way, we must choose which frequency we live by. Only when we are tuned to His Frequency (HF) will we walk in His wisdom, strength, and blessing.

We need a single minded person with double efforts to do Doubling Chapters, Doubling Members (DCDM) by 2026, To succeed, we must:

- Be intimate enough with God to know His will,
- Be dependent enough on the Holy Spirit to empower us,
- Be obedient enough to glorify His Name in every city and town where there is no FGB chapter.

This is the moment to accelerate, not hesitate. To tune in, not drift. To be single-minded in faith so that together, we will see DCDM become a reality—by His power and for His glory.

Peter Desmond Wee

National President, FGBMFI Malaysia

Northern Region

20 Sep 2025. To God be the glory for His provision and presence at the AMC (All Majesty's Conference) Northern Region held at Cinta Sayang Resort Sungai Petani. The 70 sons and daughters were edified by anointed worship, messages and testimonies of Christophanic encounters and deliverances. Indeed great is His faithfulness (Lam. 3:23).

Faithful brothers who met up one day before the conference to pray at the venue.

Central and East Coast Regions

135 people attended the 2025 East Coast and Central Regions Annual Members Conference in Full Gospel Assembly Church, KL. We had a dynamic and inspiring day of worship, vision, and connection.

The conference commenced with a vibrant worship session led by the younger generation of FGBMFI members, whose energy and devotion stirred hearts and set a powerful spiritual foundation. This was followed by a compelling vision casting delivered by the National President, Peter Desmond Wee, outlining the path forward for the fellowship and reaffirming its mission. The National Secretary Jaccob Thomas, gave an update on status followed by National Treasurer Chee Yon Long, on the Treasurer's Report. Partnership pledge and love gift was shared by Dr. Wong Hong Meng. Life members were acknowledged with a commemorative pin presented by Henry Wong.

Seven distinguished speakers took the stage - each offering unique insights into the theme of "Discipling Members and Doubling Chapters." Their messages (three were in Mandarin) emphasized spiritual growth, leadership development, and the importance of expanding the reach of the fellowship across Malaysia. The speakers included Davie Samuel, David Yap, Andy Oon, Raymond Wong, Frankie Yong, Brian Tang and Ar. Ho Kien Keong.

Interactive group discussions allowed attendees to reflect on the talks and share perspectives with each group's insights thoughtfully summarized by their appointed leaders. These sessions fostered deeper engagement and unity among members. The conference's core message was clear: while Jesus remains at the center of all we do, we must also commit to loving one another—an enduring call to action that resonated deeply with all present.

The event concluded with a commitment prayer by Chung Siew Leng followed by group photo and a delightful lunch where members — both new and long-standing — enjoyed warm fellowship, rekindled friendships, and forged new connections. It was a fitting end to a day marked by spiritual renewal, visionary leadership, and heartfelt community.
