May We Use Our Time Wisely!

Every morning, God deposits 1,440 minutes into your account — one for each minute of the day. You can't save them, carry them forward, or earn more tomorrow. You can only spend them wisely — today.

Time is God's daily gift to you. What you do with it is your gift back to Him.

The psalmist reminds us, "Teach us to realise the brevity of life, so that we may grow in wisdom." (Psalm 90:12 NLT)

Life is short, but it can be deeply meaningful when we invest our time in things that matter — people, purpose and God's Kingdom.

As we plan our evangelistic outreaches, new chapters and prayer groups, let's ask: Are we adding value to others? Are we leaving behind a legacy of joy, kindness and faith — or just complaints and regrets?

Today, choose to bless someone, build someone and bring glory to God. Use your 1,440 minutes to make eternity count.

Let's invest our time wisely — for His Kingdom and His glory!
