Why Tolerance Is the Best

“A person’s wisdom yields patience; it is to one’s glory to overlook an offense.”

— Proverbs 19:11

In the Christian life, tolerance is an expression of grace. It gives room for growth, restoration and maturity. Instead of pointing fingers at failures, tolerance reaches down to lift the fallen and offers hope to those still growing.

Tolerance is the grace to let others be—accepting, freeing, and loving without conditions. Intolerance, often subtle and unspoken, breeds judgment and hardens hearts.

As we enter this new year, let us choose to be more tolerant of one another. When we accept people as they are and love them as Christ loves us, FGB will stand strong, united and powerful, displaying the truth that “His banner over us is love.”
