Can We Do Good – Even When It Hurts?

“Do not forget to do good.” — Hebrews 13:16 (NKJV)
Doing good sounds simple — until it costs us something.

An anonymous author reminds us that doing good will often be misunderstood, questioned, opposed or forgotten. Yet the call remains the same: Do good anyway. Love anyway. Build anyway. Serve anyway.

Theodore Roosevelt captured this truth powerfully when he said that it is not the critic who counts, but the one “in the arena” — striving, sweating, sometimes bleeding — yet daring greatly for a worthy cause. Kingdom work is never done from the safety of the sidelines.

Jesus Himself “went about doing good” (Acts 10:38). Yet His obedience led Him not to applause, but to opposition — and ultimately to the cross. In His darkest moment, troubled in soul, Jesus still chose surrender and said, “Father, glorify Your name.” In essence: Not My will, but Yours be done.

Every day, you and I face moments of decision:

- Will we listen to someone in distress?
- Will we give when it is inconvenient?
- Will we support a brother when others criticize?
- Will we keep serving when misunderstood?

As FGB brothers, obedience to do good must not depend on approval or comfort. We must guard our hearts against negative thoughts, murmurings, complaints, and divisive actions — the familiar “Red Sea” syndrome of fear and doubt. These are signs not of faith, but of hearts still needing transformation.

Let us pray for discernment, for a change of heart, and for a fresh infilling of the Holy Spirit. Only then can we rise above offense, remain generous, and continue doing good — even when obedience hurts.

The real question is not can we do good.

The question is: When it hurts, will we still say yes?

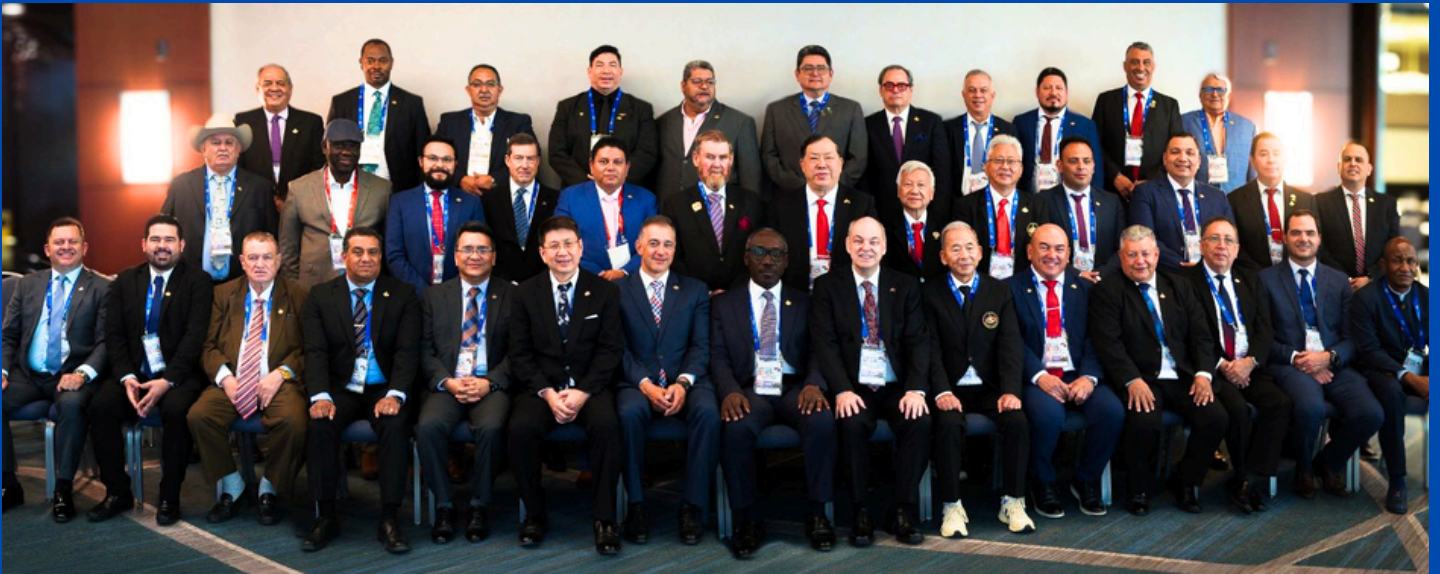

Blessings,

A Call to Go Deeper for Divine Acceleration

I was truly blessed to attend this important International Directors meeting, which proceeded smoothly and productively. I thank God that the recent amendment to the By-Laws—where I had the privilege of serving as one of the members of the By-Laws Committee—was passed unanimously.

During the meeting, our International President shared a timely message to all International Directors: we must go deeper with God in order to experience divine acceleration. A key priority is to intentionally train and raise the next generation within our fellowship, ensuring effective succession planning, sustained growth, and the continued advancement of God's Kingdom.

We are reminded that FGB is first and foremost a spiritual organization. Therefore, we must continually seek the guidance of the Holy Spirit and remain conscious of God's presence within us. While not all are called to full-time ministry, God has uniquely positioned many of us in the marketplace to be His light and witnesses in the spheres where we live and work.

Indeed, it is a great privilege to serve in this fellowship and to be part of what God is doing around the world.

Looking ahead, the shared vision and end-time harvest focus discussed at this International Directors meeting is clear:

To establish one chapter in every nation, and

To strengthen our fellowship through unity, love and mutual respect.

May we continue to move forward together in faith as we serve His purposes.

Blessings!

National President and International Director

8th Day CNY Celebration Dinner and Launch of Equine Park Chapter

NOR Magic8 Pro

24th Feb 2026. Eighth Day of Chinese New Year – “Lo Hei” Celebration Dinner. More than 25 pastors and ministers joined our FGB Central Region Chinese Group for the Prosperity “Lo Hei” celebration.

The atmosphere was warm, joyful and deeply meaningful. We sincerely thank all brothers and leaders for your presence and support. Once again, we witnessed the unity and oneness of our FGB brothers in the Central Region — this is our greatest blessing and testimony. More importantly, through this gathering, many pastors were able to better understand the direction, mission and vision of our ministry. This is exactly what we have always hoped to achieve — to know one another, to connect and to partner together.

In addition, we saw young people actively serving and boldly sharing their testimonies. This was not just a celebration, but a continuation of legacy. May the next generation continue to step forward and may the mission be passed on from

generation to generation. If there were any shortcomings in our planning or arrangements, or anything that was not handled perfectly, we sincerely ask for your understanding and forgiveness. Let us continue to move forward in unity, bringing godly influence into the marketplace and the churches, and giving all glory to God.

Organizing Chairman
