The **MARKET** IS CHANGING **So are we**

We are going through a transition where large volumes are getting smaller, more assorted and the turnaround expectancy is getting shorter. This is primarily because of the need of fluidity & adaptation to the ever changing demand of the market.

As such, we have now upgraded our digital press department with the latest Imagepress V1000. Besides the improved quality and the ability to take variable stocks, it is also faster in its speed.

Malaysia*

**Every Region, Every City & Every Town...
NEW FGB CHAPTERS!**

Dear Beloved Members and Friends of the FGBMFI, Malaysia.

Greetings in the mighty name of our Lord and Savior, Jesus Christ!

Exciting things are happening this year. **God is doing something new and powerful in FGBMFI Malaysia!** A new generation of young leaders, full of fire, stepping out boldly to plant **New FGB Chapters in every region, city and town.**

From **Gua Musang (East Coast Region)** to **Serdang, Petaling Jaya & Damansara (Central Kuala Lumpur & Selangor Region)** and from **Penang, Ipoh & Setiawan (Northern Region)**, **Johore Bahru (Southern Region)**. **Kota Kinabalu (Sabah Region)** to **Kuching (Sarawak Region)** and to every corner of this nation – the movement has begun! These young leaders are answering God's call with boldness, faith and fire!

This is just the beginning of the great harvest. As *Isaiah 43: 19 declares: "See I am doing a new thing! Now it springs up: do you not perceive it?"*

The word of God says in Genesis 1:28 that mankind is to "be fruitful, multiply; fill the earth and subdue it." so that the light can shine in every region, city and town. FGBMFI's call in Matthew 28: 19 is to "go therefore and make disciples of all nations" and transform lives through sharing of personal testimony in chapter meetings. Acts.1:8 declares, "But you shall receive power when the Holy Spirit has come upon you; and you shall be witnesses to Me... to the end of the earth." This is our mandate for witnessing in marketplace.

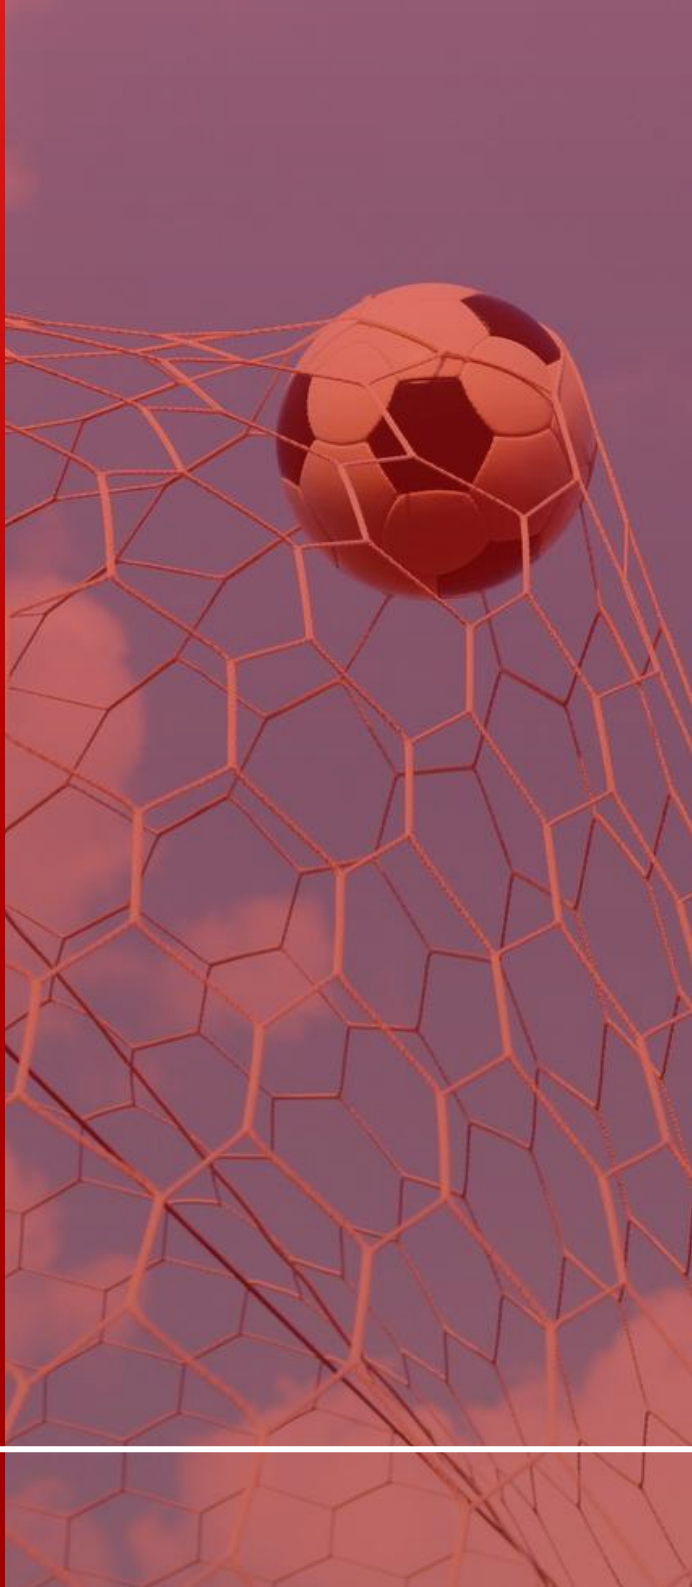

2025/26 is the season of **"Double Chapters Double Members" ("DCDM")** – a season of expansion, multiplication and revival! The Spirit is moving. The harvest is ripe. The time is now.

"Let's rise together and take every region, city and town to impact the next generations and advance His Kingdom for this nation."

May God bless and anoint you as you labour and intensify this vision of FGBMFI Malaysia.

The Moment of Surrender

Your Business is God's Business

BY FRANCIS OWUSU,
INTERNATIONAL PRESIDENT, FGBMFI
(TRANSCRIBED FROM GCM)

“ I am a businessman in Ghana, working in the hospitality industry today. But my journey with God—and the fellowship—began long before that, and it started with **a moment of surrender.** **”**

In 2000, I was invited to a breakfast meeting by the Full Gospel Business Men's Fellowship International. I didn't know Jesus then. My business was thriving in the frozen meat import trade, but my soul was afflicted. I had battled severe chest pains, dizziness, and headaches for 17 years. Specialists in the UK couldn't help me.

That morning, as I listened to testimonies of healing, transformation, and deliverance, I knew I had found the answer. When the altar call came, I gave my life to Christ.

Yet, for two more years, I wasn't healed. One night, alone and desperate, I cried out to God: “Lord, You are the Healer—why haven't You healed me?” His response pierced me: “Your corrupt business practices are blocking your healing.”

I knew instantly what He meant. I had been evading taxes and falsifying import invoices.

Though I had accepted Christ, I was still doing business like the world.

That night, I repented. I promised God: “No more.” His presence overwhelmed me, and He led me to John 13—the story of Jesus at the Last Supper. As I read, I was caught up in the Spirit. The Word became flesh before my eyes. I was thrown to the ground, weeping over my sin.

In that moment, I encountered the love of Jesus in a way that changed everything.

I stood up—completely healed after 19 years of suffering. Sin had been a heavy burden. But now I felt light, free, and filled with a desire to walk in holiness and truth.

I began running my business with integrity, paying full duties and taxes. But this led to financial losses. Competitors who continued corrupt practices could undercut my prices. We faced possible foreclosure. But God, true to His word, made a way. A Dutch company approached me and, to my surprise, offered to buy the business—at a price I couldn't refuse.

God told me clearly: “Sell. I am giving you something new.”

I transitioned into the hospitality and real estate sectors, where everything—taxes, operations, practices—is transparent. God has blessed us tremendously.

Today, two FGBMFI chapters meet weekly in one of our hotels, to the glory of His name.

I share this because God is calling us—as Christian businesspeople—to reflect His Kingdom, not the systems of this world. He is not only interested in what we do in church, but in how we do business, lead teams, pay taxes, and handle money. We are not of this world. We are spirit beings, called to walk in truth.

When God called me to lead this fellowship internationally, He gave me a clear word:

"Tell My people to live like people of the Kingdom—not like people of the world."

This is not a time for business as usual. Jesus is real. I've encountered Him. I've seen His healing power. I've experienced His mercy. He has raised me from brokenness to leadership—not because of who I am, but because of who He is.

The vision of FGBMFI is not just about meetings—it is about awakening everyday men and women to be ministers of reconciliation in the marketplace. Our businesses are to be tools to bring the lost into the Kingdom. And this can only happen when we walk in love, humility, and integrity.

To my fellow Christian business leaders, let me say this: Jesus is the answer the world is looking for.

When institutions fail, when systems crumble, Christ remains the hope of a dying world.

We have been chosen for such a time as this—to carry this mantle to the nations. As we align with the heart of God, walk in Kingdom principles, and lead with Christ at the center, we will see the harvest come in.

With God on our side, all things are possible.

Let's run the race faithfully.

Francis Owusu is the 4th International President of FGBMFI, elected in 2023. A graduate of the London School of Economics and a management accountant, he also serves as Executive Director of Fiesta Hotels in Ghana. Since encountering Christ in 2000, Francis has held key leadership roles in the Fellowship and is committed to advancing its global vision.

Living by the Plumbline: My Journey with Integrity in the Marketplace

BY DATUK KENNY NG
(TRANSCRIBED FROM GCM)

“**L**et's be honest: double standards are simply duplicity, and duplicity is the very opposite of what we're called to live out as believers. In the Christian walk, there is only one standard: **a life of integrity.**”

I've seen it firsthand—in boardrooms and in business dealings. We are not short of gifted, brilliant people. What we are short of are men and women of integrity. The world celebrates intelligence, but God honors integrity. It's not easy. I've struggled with it in my own professional life. It takes courage to do the right thing when no one is watching.

But we do have a model. A man I admire greatly from the Bible—Daniel—shows us what it looks like to live with integrity, not just once, but over a lifetime, under pressure, and across regimes.

From Daniel's life, I've drawn three guiding principles:

01 Set a Plumbline Standard

Daniel was only a teenager—15 or 16—when he was taken to Babylon. Trained to serve in the king's court, he was offered the best food and privileges. Yet, Daniel resolved not to defile himself (Daniel 1:8). That word—resolved—is powerful. He drew a clear line in his heart he would not cross.

This is what I call the plumbline of integrity. It's an old tool builders used to measure straightness.

Likewise, we must measure our lives not by convenience, but by God's unwavering standard.

I believe even leaders who fall—like in the 1MDB scandal—did not begin their journey with an intention to do wrong. But perhaps they never set that plumbline. And as I've often reflected: a misalignment of just one degree, over time, will take you completely off course.

02 Practice Integrity Consistently

Daniel didn't just make one big decision—he practiced small acts of faithfulness every day. He and his friends held each other accountable. They prayed, studied, and stood together in crisis. Integrity must be trained like a muscle.

I experienced this in my own life when my doctor warned me of lifestyle-related health risks—pre-diabetes, hypertension.

I committed to sending four health readings daily: my weight, blood sugar, blood pressure, and step count. I did this every day—not just to my doctor, but later to my wife as well. Over time, what began as discipline became habit, then character.

And character is what shapes our destiny.

03 Root Integrity in Prayer

Daniel's secret was not willpower—it was prayer. When King Darius passed a law banning worship of any god but himself, Daniel went home, opened his windows toward Jerusalem, and prayed—just as he always had. (Daniel 6:10)

That image moves me deeply: an old man on his knees, facing Jerusalem, choosing God over compromise. It reminds me of this truth: your outlook shapes your outcome.

For Daniel, Jerusalem wasn't just a direction—it represented the presence and promise of God. And because his heart was fixed on God, he had the moral courage to face the lion's den.

And what happened? God honored him.

When We Honor God, God Honors Us.

Daniel was:

Indicated – his enemies were devoured by the same lions meant for him. (Daniel 6:23)

A Witness – King Darius issued a decree for the entire kingdom to worship the God of Daniel. (Daniel 6:26)

Prospered – Even under a new king, Cyrus, Daniel was appointed again as prime minister. (Daniel 6:28)

Brothers and sisters, integrity is not easy. It cuts against our fallen nature. But with God's grace and the power of the Holy Spirit, we can live it out.

Start early. Set your plumbline. Hold each other accountable. Keep your heart pure. Pray without ceasing. Because in the end, when we honor God, God honors us.

From Darkness to Light: A Life Transformed by God

BY EDDY YONG
(TRANSCRIBED FROM GCM)

Shalom dear brothers and sisters,

I thank God for the privilege of sharing how He delivered me from darkness and brought me into His glorious light.

For 40 years, I lived deeply entrenched in idol worship and occult practices. As a third-generation temple owner, I began following my grandfather—a powerful medium—when I was just 11 years old. Alongside my mother, we even built our own Buddhist-Taoist temple. My life revolved around spirit rearing, numerology, astrology, and other forms of deception.

But on May 17, 2011, everything changed.

That evening, during a time of prayer with my wife, I experienced supernatural encounters. I heard church bells ringing three times in my ears, smelled a foul sulfuric odor, and saw a vision of a white cloud with a hand reaching toward me. Then came a thunderous voice from above—and I knew instantly: it was the voice of the true and living God.

As I cried out to Him, I was flooded with a peace and love I had never known. That night, I surrendered my life to Jesus Christ as my Lord and Saviour. Hallelujah!

Since then, my heart and mind have been renewed. In 2014, my wife and I founded Edifire Ministries International, and today we serve across 19 countries, witnessing miracles, healings, and lives transformed by the power of the Holy Spirit. I now serve as National Director for Prayer & Healing for FGB Malaysia and Director of Healing Rooms Ministries Malaysia.

Last year, God led us to launch a YouTube channel (Evangelist Eddy Yong) to share His mighty works. One unforgettable testimony took place in Tanzania, where a man with a steel plate in his ankle was miraculously healed—the metal turned to bone, and he walked and ran pain-free. Only God can do this!

Truly, **Colossians 1:13–14** speaks of my life: **“He has rescued us from the dominion of darkness and brought us into the kingdom of the Son he loves, in whom we have redemption, the forgiveness of sins.”** I now live to fulfill His great commission, walking in the power of the Holy Spirit.

As part of that mission, the Lord has also enabled us to plant one church in the Philippines and two churches in Pakistan under Edifire Ministries International—all for His glory and Kingdom advancement.

As **2 Corinthians 5:17** says, **“If anyone is in Christ, he is a new creation.”** The old has gone. The new has come. And all glory belongs to Jesus.

Hallelujah! Praise the Lord! Amen!

Eddy Yong, a former third-generation Buddhist/Taoist temple owner, encountered Jesus in 2011 and was called into ministry the following year. Together with his wife Ireen, they’ve ministered globally, witnessed miracles, and founded Edifire Ministries International in 2014. They also lead Healing Rooms Ministries Malaysia.

Awakened for Such A Time as This

FGBMFI Global Prayer Day 2025

BY JOSHUA DING
ASIA PACIFIC PRAYER COORDINATOR

"See, I am doing a new thing!"

— Isaiah 43:19

Across time zones and continents, a divine stirring took place. On April 11–12, 2025, men of faith from the Full Gospel Business Men's Fellowship International (FGBMFI) gathered at the altar for Global Prayer Day—a holy convocation of consecration, unity, and purpose. For 24 unbroken hours, the Ecclesia of God rose from every corner of the globe—North America, Europe, Asia Pacific, Africa, and Latin America—united in one Spirit under His banner of love.

As His Chosen Generation, Royal Priesthood, Holy Nation, and Special Possession, FGBMFI members came not just to pray, but to awaken—to be set apart and recommissioned for the high calling of marketplace evangelism. It was not just an event. It became a spiritual milestone—a global trumpet call to consecrate ourselves, embrace our identity, and shake off complacency.

We had been God's chosen instruments—once drowsy, now awakened. The sleeping giant of laymen evangelists had begun to rise, stirred by the Spirit to take its rightful place in the frontline of the Great Commission. We carried not only the message of salvation but the power of transformation into our everyday spheres of influence—offices, boardrooms, construction sites, and coffee shops alike.

Through worship, exaltation, prophetic exhortation, and heartfelt intercession, Global Prayer Day became a glimpse of heaven on earth. It served as a declaration that Christ alone is our Liberator. And it reminded us that His return is not a distant dream but an imminent reality.

As we moved forward from that day, we did so as one—with fire in our bones, prayer on our lips, and the love of Christ in our hearts—until the whole world knows.

Joshua Ding has been an FGB member for more than 4 decades and is currently the Northern Regional Director of FGBMFI and serves as the Asia Pacific Prayer Coordinator. He is the steward of Joshua Ding & Partner, a legal firm established in 2002.

FGBMFI In Malaysia

Legacy Of Faith”

The Full Gospel Business Men's Fellowship (FGBMF) is one of the earliest marketplace ministries in Malaysia. It traces its origin to 1978 when a small band of committed Christian professionals and businessmen were touched by the Holy Spirit and began to believe that they could transform the world. They then started The Abundant Life Centre (ALC) lunch meetings in Jalan Ampang, Kuala Lumpur, to minister to the marketplace. Eager to link with other likeminded Christians, they attended an evangelistic banquet in Singapore and was then introduced to the FGBMFI ministry.

In 1980, under the leadership of Dr Peter (Abraham) Tong, the ministry was formally chartered as the Full Gospel Business Men's Fellowship Malaysia by FGBMFI Founder President, Demos Shakarian. The founding group included banker Tan Sri Khoo Kay Peng, Dr Joy Seevaratnam, lawyer Ang Chui Lai, chartered accountant Timothy Phua and bank executive Michael Cheng. Following this the first chapter was formed in Jalan Ampang Kuala Lumpur.

Within a short space of time, chapters were formed in Penang, Melaka, Ipoh, Kuala Trengganu and Seremban. In 1985 the Malaysian chapters met in Kuala Lumpur and decided to form a national body for the development and coordination of all FGBMF activities throughout the nation. The official National Board was formed in 1990 comprising Dr. Tong as National President, Bro. Devaraj as National Secretary and Bro. Timothy Phua as National Treasurer.

Dr. Tong, the founder of FGBMF Malaysia was called home to glory on 10 December 2004. Bro Lee Gee Koon took over the helm as National President in January 2005 and retired on 31 December 2008 but remained a member of the Governing Council. Bro Tan Tek Seng, a business owner was appointed by the Governing Council as his successor.

With this the ministry was successfully handed over to a new generation: Bro Fong Hoong Heng in 2012 and Bro Peter Desmond Wee in 2024.

7. TRANSFORMING

Making this world a better place by God's power

FGBMFI is an organization where...

Full Gospel

means no subject has to be avoided, whatever a person's experience - salvation, healing, deliverance - it can be shared, just as it happened; and

Business Men

are laymen, ordinary people from all walks of life; and

Fellowship

is what it feels like - A bunch of people who get together to share their love for Jesus; and where

International

means the whole world, all races, ages, backgrounds, and denominations.

How It All Began

*“In the early 1900s, led by God, the **Shakarian family** escaped the **Holocaust in Armenia** and settled in Downey, California, where they began a 20-acre dairy with three cows.”*

Through faith in God, good judgment, and hard work, that small herd multiplied a thousandfold. By 1943, the Shakarian herd had grown to 3,000 cows, becoming the largest private dairy in the United States at the time. Their inspiring story is told in *The Happiest People on Earth*, a book read by millions and translated into 25 languages.

In January 1953, after receiving a God-given vision the previous month, Demos Shakarian incorporated FGBMFI, beginning with one small chapter of businessmen meeting every week in Clifton's Cafeteria in Los Angeles, California.

Portrait of Demos Shakarian

THE 1950'S

THE DECADE OF FOUNDATIONS

In the 1950s, FGBMFI chapters began forming across the U.S., with informal gatherings over meals proving to be the most effective meeting format. These settings allowed members to share how God had impacted their lives. As the movement grew, it attracted attention from notable figures, including then-Vice President Richard Nixon.

THE 1960'S

THE DECADE OF EXPANSION

In the 1960s, FGBMFI launched international "Airlifts," starting in 1965 with over 400 members traveling with families to London and across Europe to share their message and start new chapters. Subsequent missions reached Africa, the Near East, and the Far East. A notable Airlift during the Vietnam War saw members witnessing miracles while meeting with soldiers. Airlifts continue to make a lasting impact today.

THE 1970'S

THE DECADE OF INFLUENCE

In the 1970s, FGBMFI expanded its public outreach through TV programs like Good News America and The Happiest People on Earth, and released the book Happiest People on Earth about Demos and Rose Shakarian. During this time, the Fellowship also began forming close relationships with global leaders.

THE 1980'S

THE DECADE OF UNITY

In the 1980s, FGBMFI expanded to 2,646 chapters with 700,000 monthly participants. Later, it established a 160,000-square-foot international headquarters in Costa Mesa, California, staffed by 125 employees. Despite its global scale, the Fellowship remained united.

THE 1990'S

THE DECADE OF TRANSITION

In 1993 the beloved founder of FGBMFI, Demos Shakarian, went home to be with the Lord, desiring his son Richard to succeed him. Upon becoming International President, Richard turned to prayer and felt called to be "The Great Encourager." His leadership has since inspired many to pursue greater purpose and vision.

2000 AND BEYOND

GLOBALIZATION

In the new millennium, FGBMFI has grown into one of the world's largest business networks, with thousands of chapters in over 85 countries. Its efforts are transforming individuals and communities across the globe, from the Americas to Asia, the Middle East, and Africa. Now is the time to join a global organization making a real difference.
